

Y4 Letter to Parents

22nd-26th June

Literacy - This week we start with our usual Reading Comprehension on Monday. For the rest of the week, we will be learning how to write a Newspaper Article. The Powerpoint explains its elements and then, day by day, you will plan and write the draft elements up. Recounting the events orally may help when you come to write the factual events in order. On Friday, you will be writing your final, neat copy. I really look forward to reading them!

Maths - For this week we are focusing on ‘Statistics’ - how to read data, interpret data and present data in different forms. Monday and Tuesday is a Tally Chart and a Bar Chart, Wednesday is a Pictogram, Thursday is a Line Graph and Friday is a variety.

Please can you complete 2 Maths sheets every day, if you can. Either the support and the Main Activity or the Main Activity and the Extension Activity.

History - We are thinking about where our idea of a Viking has come from.

D.T. - We are continuing our learning about a Viking Money Pouch. Sketching, analysing and then producing the final design. After this, you may then go on to make it, if you wish.

Music - Sunday 21st June was ‘Make Music Day’ . You can create and explore different sounds and rhythms using the ‘Bring the Noise’ Interactive Game on BBC Bitesize. Please video your creations and send them to me via Class Dojo. I will enjoy listening to them!

I hope you have lots of fun this week. Keep up the great learning. It is always a pleasure to see your effort and hard work that you put in to your learning on Class Dojo. Please remember I am here to support you too so if you are finding something tricky, please send me a message.

Best Wishes

Mrs. Lovegrove
